

# ADD ▶ A Powerful Tool for Controlling Finances

Microsoft Dynamics GP is a robust Windows-based financial package. It offers ease of use, flexibility and deep functionality which help drive performance, keep overhead costs down and equip you to keep pace in a competitive marketplace.

To ADD more to your business, contact us at 800.922.0972 or email us at [sales@addsys.com](mailto:sales@addsys.com)  
[www.addsys.com](http://www.addsys.com)

### COMPREHENSIVE OFFERING

Streamline your finances with general ledger, bank reconciliations, payables management, safe pay, intercompany postings, fixed assets, financial reporting and HR and payroll. Work with multiple currencies, locations and companies.

### SEAMLESS INTEGRATION

Drill down and up to the level of detail you need with system-wide seamless integration throughout General Ledger, Accounts Payable, Payroll, Bank Reconciliation, Fixed Assets, ADD Energy E3® and ADD eStore®.

### USER-DEFINED STRUCTURES

Set up financials for the way you operate your business, with company-defined structures and a chart of accounts that matches your business reporting needs (division, branch, location, department, profit center, etc.).

### FLEXIBLE FINANCIAL REPORTING

Easy visibility into your financial position. Standard and customizable reporting for profit and loss, balance sheets, budgets and more!

### SIMPLE TO LEARN

Simplicity is at the core of Microsoft Dynamics GP. As a business solution from Microsoft, it is easy to learn and use because it works like and with other familiar Microsoft technologies, such as Microsoft Office.

**ADD** ▶ More to E3 and eStore with Microsoft Dynamics GP

Seamless management of accounts receivable, credit, delivery, service, inventory and more.

Comprehensive tracking, analysis and management of sales, purchases and inventory for multi-store operators.
